RSVP: Register [HERE!](#)

800+ Consultants | 500+ PhDs | 25+ Offices
40+ MIT Alumni

Discover a non-academic career that will allow you to take full advantage of your engineering, scientific, and analytical background.

Exponent is an engineering and scientific consulting firm that hires doctoral students in a variety of engineering disciplines. We are looking for graduate students with strong communication skills who are willing to learn on the job and apply their education in unexpected ways. Learn more about how your background can fit into the exciting world of engineering and scientific consulting.

Dinner will be provided!

Bring your CV to apply.

Not finishing yet? We invite you to stop by and learn about us!
