

# SCI-ART

A Showcase of Science-Themed Art  
Call for Art!

We are looking for science-influenced artwork to display during the 2018 Cambridge Science Festival!

What: A week-long exhibit exploring the artistic side of science

Exhibit Dates: April 13-20, 2018 M-F 8:00am-5:00pm

Opening Reception: Monday April 16, 5:00-7:00pm

Where: LabCentral, Gallery 1832 (1st Floor)

## Interested in exhibiting your art?

Email [PDA-outreach@tufts.edu](mailto:PDA-outreach@tufts.edu) by April 6 with:

- type of artwork (e.g. photography, sculpture, microscopy image, mixed media, painting, sketch)
- a brief description (title, date, dimensions)

**\*All hanging artwork must be framed\***

A limited number of sculptures will be accepted

Participation is open to artists/scientists from all institutions  
in the Greater Boston Area

Artists will be expected to attend the Opening Reception  
to discuss their artwork informally with the public

Organized by the Tufts Postdoc Association  
in conjunction with the Boston Postdoc Association
