

Clarion Healthcare's 2018 PROPEL: Advanced Leadership Training
Priming Advanced Degree Candidates for a Career in Life Sciences Strategy Consulting

Are you an Advanced Degree Candidate (ADC) looking for an exciting opportunity to propel your career into the fast-paced world of life sciences strategy consulting? A career that allows you to apply the deep content knowledge, critical thinking, and problem solving skills that you've developed in your post-graduate work? That challenges you to examine and address complex business issues facing leaders in the pharmaceutical & biotech industry?

Consider Life Sciences Strategy Consulting with Clarion Healthcare, a Boston-based strategic consultancy.

In our 3-day advanced training program, you'll preview the Clarion experience. You'll learn about life sciences strategy consulting from experienced professionals, develop real-world skills and gain opportunities through top-notch mentoring and casework. You'll also meet and network with other Advanced Degree Candidates interested in life sciences strategy consulting.
