BOSTON BELGIAN SOCIETY

Dr. Sophie Vandebroek

Moderator:
Prof Florence Vermeire,
expert in application of
machine learning models
in chemical engineering

FIRESIDE CHAT WITH **DR. SOPHIE VANDEBROEK**

FREE AND OPEN TO THE PUBLIC WITH REFRESHMENTS

MIT WELCOME CENTER

292 Main Street, Cambridge, MA, 02142

7pm-9pm

Sophie will share her career roadmap and the innovation leadership lessons learned. She'll touch on (1) creating strong relationships, (2) continuously getting your ticket punched, (3) not being afraid, (4) joining inclusive organizations and (5) having fun. Come prepared with your questions for this executive with experience at IBM, Xerox and UTC. She is a digital expert with deep knowledge in the creation and application of tech. Sophie has a PhD from Cornell University and has been a member of MIT's School of Engineering's Dean's Advisory Council.
