
MIT Science Policy Initiative Presents:

Faculty Lunch Series: Environmental Policy
with
Dr. Susan Solomon

When: March 4th, 12-1 PM
Where: W20-302

The MIT Science Policy Initiative is hosting a faculty lunch series for students and postdocs to engage with faculty in science policy.

This lunch will feature Dr. Susan Solomon, a member of the department of Atmospheric Chemistry & Climate Science.

Lunch will be provided, but space is limited to 15 attendees. RSVP to save your seat.
