More Info:

This 2008 highly acclaimed drama movie is adopted from [an international bestseller book](#) with the same title which was written by the French-Iranian journalist [Freidoune Sahebjam](#) in 1994 based on a true story. The film is directed by [Cyrus Nowrasteh](#) and stars Academy Award nominee [Shohreh Aghdashloo](#), as well as [James Caviezel](#) and [Mozhan Marnò](#). This powerful movie depicts stoning which is one of the inhumane facets of fear imposed by the modern regime of Iran for imposing its crude power on people.

This movie is not yet released on DVD but we are grateful to the [MPower Picutures](#) for granting us the opportunity to screen it at this event before its official release in March 2010.
