

25th Annual Lord Lecture at MIT

Directions to the Lecture

Building 35 is located at the corner of Massachusetts Ave and Vassar St. Please enter via the entrance at the end of the building. There are 2 doors, one located at the bottom of a ramp and the other up a small set of stairs.

Should you enter through the ramp entrance, this will bring you into the basement level of the building. Walk approximately halfway down the hallway and there will be a small hallway with elevators to your right. Take the elevators to the 2nd floor. Turn left out of the elevators and the lecture hall will be directly in front of you.

Should you enter through the doors that are up a small set of stairs, this entrance will bring you into the main stairwell. Go to the 2nd floor and walk down the hallway approximately half way. The lecture hall will be on your left.

Directions to the lunch location

A lunch of Italian cuisine will be served in the Grier Room (34-401 A). To get to the Grier Room, exit Building 35 via the same entrance, and walk down Vassar street. Enter into building 36 and take the elevators up to the 4th floor. The Grier room is to the left as you exit the elevator and enter into Building 34.

We do not recommend trying to walk through the buildings to get to the Grier room from Building 35. Not all floors connect inside of the buildings and it can be confusing. Please take the short walk outside to get to the Grier room from Building 35.
