

Gender and Sexuality Speakers Series

# Anne Fausto-Sterling

## Race, Gender, Science-- Still Questions After All These Years

February 15, 2007, 6 p.m. with reception to follow,  
Sherman-Fairchild Room 102, Divinity Avenue

Anne Fausto-Sterling is Professor of Biology and Gender Studies in the Department of Molecular and Cell Biology and Biochemistry at Brown University. She is Chair of the Faculty Committee on Science & Technology Studies.

She is the author of *Myths of Gender*, "The Five Sexes: Why male and female are not enough," "The Five Sexes Revisited," and *Sexing the Body: Gender Politics and the Construction of Sexuality*. She teaches courses in the fields of Biology, Gender Studies, Science Studies, Molecular and Cellular Biology and Biochemistry.

Dr. Evelyn Hammonds, Harvard's Senior Vice Provost for Faculty Development and Diversity, will introduce Dr. Fausto-Sterling.
