

Visiting Assistant Professor of Science, Technology, and Society

Program for Science, Technology, and Society (STS)

Appointment

Full-time, one-year position; begins Fall Term 2009.

Responsibilities

Teaching assignment will be three courses in the fall term, to be drawn from existing STS courses, and three courses in the spring, when it may be possible to design and teach one or more courses in the candidate's specialty.

Qualifications

Ph.D. in history of science or an allied discipline and a commitment to undergraduate teaching and liberal arts education. Significant teaching experience at the undergraduate level preferred. Field specialization is open.

About the University of Puget Sound

The University of Puget Sound is an independent, residential liberal arts college with approximately 2500 undergraduates and 200 graduate students enrolled in three programs. The university, as a community of learning, maintains a strong commitment to teaching excellence, scholarly engagement, and fruitful student-faculty interaction. Puget Sound's web site may be found at www.ups.edu. EOE/AA

How to Apply

Search and selection procedures will be closed when a sufficient number of qualified candidates have been identified. Interested individuals are encouraged to submit application materials postmarked no later than March 2, 2009 to ensure consideration. To apply, submit a two-page statement of teaching experience and philosophy, a two-page description of research program, and a curriculum vitae and list of publications to hr@ups.edu. Please arrange for three letters of reference to be sent separately to:
