Something of Interest:

Islam is frequently talked about in the media, but continues to be a mystery to most people.

What is the Muslim's concept of God? The afterlife? Who was prophet Muhammad? What do Muslims say about Abraham, Moses, and Jesus? What are the core beliefs and practices of Islam?

This session offers an opportunity to see beyond common misconceptions, and learn from Muslims about their fourteen-century old faith, professed by 1.8 billion people worldwide. A Q&A session is included.

The session is open to first-timers only (people who have not previously attended similar sessions.)
