**Gold Mass:** TODAY November 12 at 9:30am. As you may know, the Gold Mass is one of many special Masses held for different professions. The oldest Mass for professions, the Red Mass, was established in the 13th century for lawyers and lawmakers. More recently, the first Gold Mass for scientists and engineers was held at MIT on November 15, 2016. Join us in continuing this tradition where it started!
