Next Wave: The Future of Asian American Theater at 10-250

Asian American Theater (21M.846) is holding an Asian American Theater, TV, and Film Symposium (with reception and food following) on Monday, October 17 in 10-250 at 7pm, featuring cutting edge Asian American theater artists who will discuss the present and future of theater, film, and television. We will also be performing staged readings of scenes from some of the artists' plays.
