Urinetown at La Sala de Puerto Rico

In a Gotham-like city, a terrible water shortage, caused by a 20-year drought, has led to a government-enforced ban on private toilets. The citizens must use public amenities, regulated by a single malevolent company that profits by charging admission for one of humanity's most basic needs. Amid the people, a hero decides that he's had enough and plans a revolution to lead them all to freedom! We have shows on 11/17 and 11/18 at 8pm, on 11/19 at 2pm and 8pm, and on 11/20 at 2pm.

Free? No (\$6 for MIT students, \$10 for MIT community)
