

USITT NE PICNIC and THEATRE TOUR!

Join us at the Brooks School in North Andover, Massachusetts on Saturday, June 29th for a tour of their new theatre and a picnic!

The Brooks School opened their new Center for the Arts in November. The Mainstage Theatre features an ETC Foundation HD Rigging Controller with variable and fixed speed winches, along with manual winches, installed by Port Lighting. The lighting control system is an ETC Ion⁺, installed by Barbizon New England. They have LED lighting throughout, with ETC backpacks for incandescent units. The building design is by Ann Beha Architects, and the theatre consultant was Tony Forman at NextStage Design.

4:00pm

Tour at the Center for the Arts

Brooks School

1160 Great Pond Road

North Andover, MA

Please enter at the middle entrance and park in whichever lot near the entrance that is not being torn up.

5:00-8:00pm

Picnic at New House 1B

(on the same grounds) Please park in the grassed lot near the baseball field. Map is attached.

Cook out basics (burgers, dogs, soft drinks), will be provided by USITT NE. Utensils, plates, etc. will be provided by the Brooks School. Please feel free to bring a shareable dish of your choosing!

RSVP appreciated but not required. Email Miranda Giurleo at miranda.giurleo@gmail.com with questions and to RSVP. Friends and family welcome!

Special thanks to Deanna Stuart,

Production Manager for the Arts/Interim Co-Chair of the Arts at the Brooks School for hosting this event.
